## CHAPTER \_\_\_\_\_

An act to amend Sections 33352, 33353, 33354, and 35179 of the Education Code, relating to physical education.

## LEGISLATIVE COUNSEL'S DIGEST

SB 562, Torlakson. Physical education: California Interscholastic Federation.

Existing law provides the State Department of Education the authority to exercise general supervision over courses of physical education and specified authority over interscholastic athletics. Existing law grants the governing board of a school district authority to regulate interscholastic athletics, including, but not limited to, the authority to enter into associations or consortia with other boards relating to interscholastic athletics, with certain requirements. Existing law repeals these provisions on January 1, 2007.

This bill would extend the operation of these provisions indefinitely.

Existing law also describes the California Interscholastic Federation, provides the intent of the Legislature regarding its policies, and requires it to report to the Legislature by January 1, 2005. Existing law repeals these provisions on January 1, 2007.

This bill would extend the operation of these provisions to January 1, 2012. The bill would require the California Interscholastic Federation to report to the Legislature on or before January 1, 2010, with certain requirements, and would provide the intent of the Legislature regarding public comment relating to the California Interscholastic Federation.

*The people of the State of California do enact as follows:*

SECTION 1. Section 33352 of the Education Code is amended to read:

33352. (a) The department shall exercise general supervision over the courses of physical education in elementary and secondary schools of the state; advise school officials, school boards, and teachers in the development and improvement of

their physical education and activity programs; and investigate the work in physical education in the public schools.

(b) The department shall ensure that the data collected through the Categorical Program Monitoring indicates the actual number of minutes of instruction in physical education actually provided by each school district, for the purpose of determining whether each school district is in compliance with the physical education requirements of Sections 51210, 51220, 51222, and 51223.

SEC. 2. Section 33353 of the Education Code is amended to read:

33353. (a) The California Interscholastic Federation is a voluntary organization that consists of school and school related personnel with responsibility for administering interscholastic athletic activities in secondary schools. It is the intent of the Legislature that the California Interscholastic Federation, in consultation with the department, implement the following policies:

(1) Give the governing boards of school districts specific authority to select their athletic league representatives.

(2) Require that all league, section, and state meetings affiliated with the California Interscholastic Federation be subject to the notice and hearing requirements of the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Division 2 of Title 5 of the Government Code).

(3) Establish a neutral final appeals body to hear complaints related to interscholastic athletic policies.

(4) Provide information to parents and pupils regarding the state and federal complaint procedures for discrimination complaints arising out of interscholastic athletic activities.

(b) (1) The California Interscholastic Federation shall report to the Legislature and the Governor on its evaluation and accountability activities undertaken pursuant to this section on or before January 1, 2010. This report shall include, but not be limited to, the goals and objectives of the California Interscholastic Federation with regard to, and the status of, all of the following:

(A) The governing structure of the California Interscholastic Federation, and the effectiveness of that governance structure in providing leadership for interscholastic athletics in secondary schools.

(B) Methods to facilitate communication with agencies, organizations, and public entities whose functions and interests interface with the California Interscholastic Federation.

(C) The quality of coaching and officiating, including, but not limited to, professional development for coaches and athletic administrators, and parent education programs.

(D) Gender equity in interscholastic athletics, including, but not limited to, the number of male and female pupils participating in interscholastic athletics in secondary schools, and action taken by the California Interscholastic Federation in order to ensure compliance with Title IX of the Education Amendments of 1972 (20 U.S.C. Sec. 1681, et seq.).

(E) Health and safety of pupils, coaches, officials, and spectators.

(F) The economic viability of interscholastic athletics in secondary schools, including, but not limited to, the promotion and marketing of interscholastic athletics.

(G) New and continuing programs available to pupil-athletes.

(H) Awareness and understanding of emerging issues related to interscholastic athletics in secondary schools.

(2) It is the intent of the Legislature that the California Interscholastic Federation accomplish all of the following:

(A) During years in which the California Interscholastic Federation is not required to report to the Legislature and the Governor pursuant to paragraph (1), it shall hold a public comment period relating to that report at three regularly scheduled federation council meetings per year.

(B) Annually allow public comment on the policies and practices of the California Interscholastic Federation at a regularly scheduled federation council meeting.

(C) Require sections of the California Interscholastic Federation to allow public comment on the policies and practices of the California Interscholastic Federation and its sections, and the report required pursuant to paragraph (1), at each regularly scheduled section meeting.

(D) Engage in a comprehensive outreach effort to promote the public hearings described in subparagraphs (A) and (C).

(c) This section shall become inoperative on January 1, 2012, unless a later enacted statute, that is enacted before January 1, 2012, deletes or extends that date.

SEC. 3. Section 33354 of the Education Code is amended to read:

33354. (a) The department shall have the following authority over interscholastic athletics:

(1) The department may state that the policies of school districts, of associations or consortia of school districts, and of the California Interscholastic Federation, concerning interscholastic athletics, are in compliance with both state and federal law.

(2) (A) If the department states that a school district, an association, or consortium of school districts, or the California Interscholastic Federation is not in compliance with state or federal law, the department may require the school district, association, or consortium, or the federation to adjust its policy so that it is in compliance. However, the department shall not have authority to determine the specific policy that a school district must adopt in order to comply with state and federal laws.

(B) Notwithstanding any other provision of law, a complainant from a public school who wishes to file a discrimination complaint pursuant to the regulations adopted for the purpose of implementing Section 261 based on interscholastic activities conducted by an association, a consortium of school districts, or by the California Interscholastic Federation, is not required to first file a discrimination complaint with a school district, but may file an initial discrimination complaint directly with the department, and the department shall have the authority to specify, with regard to a specific discrimination complaint, the administrative remedies that such an association, a consortium of school districts, or the California Interscholastic Federation must provide in order to comply with state or federal law.

(3) If the department states that a school district, association, or consortium, or the federation is not in compliance with state or federal law in matters relating to interscholastic activities, and the school district, association, or consortium, or the federation does not change its policy in order to comply with these laws, the department may commence with appropriate legal proceedings against the California Interscholastic Federation, the school district or against school districts that are members of the California Interscholastic Federation or the association or consortium that the department states is in noncompliance. In a

legal proceeding, the court shall determine the matter de novo. The department may make recommendations for appropriate remedies in these proceedings.

(b) This section does not limit the discretion of local governing boards, or voluntary associations formed or maintained pursuant to subdivision (b) of Section 35179, in any policy, program, or activity that is in compliance with state and federal law.

(c) The state law with which the policies of school districts, associations, or consortia of school districts, and of the California Interscholastic Federation, concerning interscholastic athletics, are required to comply, in accordance with this section, includes, but is not limited to, any regulations issued by the State Board of Education pursuant to Section 232 with regard to discrimination in interscholastic athletics.

SEC. 4. Section 35179 of the Education Code is amended to read:

35179. (a) Each school district governing board shall have general control of, and be responsible for, all aspects of the interscholastic athletic policies, programs, and activities in its district, including, but not limited to, eligibility, season of sport, number of sports, personnel, and sports facilities. In addition, the board shall assure that all interscholastic policies, programs, and activities in its district are in compliance with state and federal law.

(b) Governing boards may enter into associations or consortia with other boards for the purpose of governing regional or statewide interscholastic athletic programs by permitting the public schools under their jurisdictions to enter into a voluntary association with other schools for the purpose of enacting and enforcing rules relating to eligibility for, and participation in, interscholastic athletic programs among and between schools.

(c) Each governing board, or its designee, shall represent the individual schools located within its jurisdiction in any voluntary association of schools formed or maintained pursuant to this section.

(d) No voluntary interscholastic athletic association, of which any public school is a member, shall discriminate against, or deny the benefits of any program to, any person on any basis

prohibited by Chapter 2 (commencing with Section 200) of Part 1.

(e) Notwithstanding any other provision of law, no voluntary interscholastic athletic association shall deny a school from participating in interscholastic athletic activities because of the religious tenets of the school, regardless of whether that school is directly controlled by a religious organization.

(f) Interscholastic athletics is defined as those policies, programs, and activities that are formulated or executed in conjunction with, or in contemplation of, athletic contests between two or more schools, either public or private.
